## Report of Principal and School Improvement Council

Academic excellence, coupled with discovering the “Leader In Me” for each student is our commitment at Townville Elementary School. Our continued success was recognized at the state level by earning a Gold Flag for “General Performance” and an “Excellent” rating on the SC School Report Card for the 5th consecutive year. As a National Blue Ribbon School, our efforts were recognized at the national level by earning a rating of “A” as part of the Federal Accountability System. Additionally, our school received a 2014 Bronze National Recognition Award from the Alliance for a Healthier Generation for our efforts in creating a healthier school environment. Townville was one of less than 300 schools across the country to receive this important recognition.

The 2013-2014 school year began the work of offering signature experiences in the area of leadership as all staff members received training in “The Leader In Me” philosophy provided by a Franklin Covey trainer. Teachers provided project-based learning instruction offering students real-world projects focused in the areas of STEAM (Science, Technology, Engineering, Arts, and Math) with the end result of developing critical career skills. In our effort to ensure students are ready for the 21st Century, instruction was supplemented with latest technology to include interactive whiteboards, iPads, mobile laptop labs, student response systems, and virtual field trips. And at the core of all decisions, continued our understanding of the importance of having the instructional program driven by meaningful data.

Expanded learning and experiences included: SMART (Start Making A Reader Today) rooms in kindergarten through second grade; Reading by RIT reading block in grades three through six; archery club; TES Singers, Response to Intervention; Readers are Leaders; GOALpost before / after school activities; and band for sixth graders. Olweus, a bully prevention program, continued with all grade levels in an effort to educate students, staff, and community on how to best respond to and report bully incidents. Home and school communications were enhanced with regular parent conferences, School Fusion, Parent Portal, car-side chats, PTO meetings, Thursday folders, teacher phone calls, digital sign messages, and Blackboard Connect communications. Additional activities beyond the school day included a talent show,

science/math/literacy nights, Spring Carnival, health fair, summer library hours, and cyber-safety workshops, and a 5K Turkey Trot. And in addition to devoted PTO officers and parent volunteers, Michelin Tire Corporation (US2) partnered with Townville in the Michelin Challenge Education program to provide 30+ mentors and tutors.

The staff and community share a commitment to ensure our children have quality educational experiences that will prepare them to be leaders in a global community. It continues to be our privilege to serve our children ensuring they are productive, successful, and responsible citizens now and in the future.

Denise Fredericks, Principal

Tracey Stone, PTO President

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>98.3</b>
<b>Overall Grade Conversion</b>	<b>A</b>

80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**
